Early Career Professionals Technician/Administrative fields

The beginning of a career like no other.

Join us in a place that can be hotter than the centre of the sun, and colder than the vacuum of space, at the very same time.

This is the smartest way to learn more than you can imagine and see your work travel at the speed of light. Almost. This is the fastest way to give your career momentum.

This is your **Origin. Where your career begins.**

WHAT WE OFFER:

- An employment contract between 6 months (minimum) and 24 months (standard), with the possibility to extend up to 36 months.
- On-the-job and formal training.
- Competitive compensation net of tax around 4400 Swiss Francs per month.
- 8 weeks' holiday per year.
- Membership of the CERN Health Insurance Scheme and Pension Fund.
- Depending on your individual circumstances: an installation grant, family, child and infant allowances as well as travel expenses to and from Geneva.

ELIGIBILITY CONDITIONS:

- You are a national of a CERN Member or Associate Member State (<https://home.cern/about/member-states>).
 - You have a general secondary education diploma or administrative or technical diploma and have no more than 2 years' relevant experience after obtaining your degree.
 - If you are currently preparing a degree, you are eligible to apply. Note that you are expected to have obtained your qualification by the time you take up your appointment at CERN.
 - Applicants with University degrees are not eligible.
 - You should have at least basic knowledge of English or French.
-

careers.cern/benefits

All our positions are based at CERN, in Geneva, Switzerland where the quality of life is beyond compare.

Life at CERN. Passionate about your pastimes or keen to learn something new? Pursue sportive or creative hobbies in one of CERN's 40+ clubs and get to meet new people from the CERN community.
